# CLEAN STRONG Directions for Use:

## Directions for Use

1. **Preparation:** Remove loose dirt and dust with a mop, broom or vacuum.
2. Shake PALLMANN® CLEAN STRONG for 30 seconds.
3. **Normal Soiling:** Dilute CLEAN STRONG 1 part (Clean Strong) 10 parts (water) in clean spray bottle. Lightly mist 4 x 8 area allowing product to sit 2 – 3 minutes. Begin buffing floor with a green or red pad. Work in sections small enough to keep the floor wet during the process.  
**When Deep Cleaning a wood floor, only use a white polishing pad on a buffer. Failure to do so will cause permanent scratching in the finished wood floor.**  
**Heavy Soiling:** Use PALLMANN® CLEAN STRONG undiluted, using a black or green pad.
4. Immediately rinse floor with a clean, lint-free towels or cloths. **Do not oversaturate the floor during this procedure. Perform a second rinsing of floor to remove all residues.**
5. Let the floor dry completely.

**Note:** When recoating a floor previously finished with PALLMANN® MAGIC OIL 2K, PALLMANN® MAGIC OIL CLEAN N PREP is the recommended floor preparation cleaner.

## Important Note

**PALLMANN® CLEAN STRONG is a very aggressive surface cleaning product. Test a small area of the floor prior to cleaning the entire floor surface. CLEAN STRONG may damage the existing finish if left on the surface for an extended period of time. Do not use on a floor finished with MAGIC OIL 2K. Severe permanent damage to floor will occur.**

## Storage

Minimum 24 months in original packaging when stored under normal conditions (50-70°F/10-20°C). Tightly reseal opened containers. Keep from freezing.

## Disposal

Dispose of empty containers according to local, state and federal regulations.

## Precautions

**CAUTION:** Keep out of reach of children. Keep container closed during storage. Avoid contact with eyes and skin. Avoid breathing vapors. Use only in well-ventilated areas. Use of protective gloves (rubber) and safety glasses is recommended. Non-flammable.

**FIRST AID:** In case of skin contact, wash thoroughly with soap and water. For eye contact, flush immediately with large amounts of water for at least 15 minutes and obtain medical treatment. If swallowed, obtain medical treatment immediately
