

KING COBRA

10" Belt Sander

Description

Powerful 5 HP 10" belt sander. The KING COBRA comes with many innovative new features including left and right drum levers, LED ready light, upgraded fine feathering handle, carrying handles front and rear and a totally enclosed aluminum-finned German motor with slow start capability. The unit's single drive belt technology is unique in the industry and delivers maximum power transfer to the drum.

**SINGLE
DRIVE BELT
TECHNOLOGY**

Features

- Single drive belt technology
- Lower durometer drum compound
- Industry best feathering handle
- High fan capacity
- Variable sanding pressure adjustment
- Transfer more power to the drum
- More aggressive cutting action
- Smooth, easy drum operation
- Super effective dust suction
- Correct surface preparation

Benefits
